### AGENDA SCHEDULING INFORMATION:

The Planning Board meets regularly on the first Monday of each month unless the date falls on a holiday, in which case the meeting is held on the second Monday of the month. The Board may also hold a second meeting in the month if it is unable to hear all of the agenda items scheduled on the night of the first meeting.

The deadline for the submission of new or revised applications and plans does not automatically guarantee that an application will be heard on the next Planning Board Agenda. Applicants are encouraged to make sure their applications are complete and to submit as early as possible. Note that a complete application includes the following, at a minimum: a completed application, fees, and escrow; waiver request form (if needed); agent authorization form signed by both parties; plan set; electronic copy of all materials and any documentation required by the ordinance.

For more information please call the Planning Division at 207-222-1620.
